If not utilizing a veterinarian for your vaccinations, please attach receipts/labels of vaccinations to the health record.

**Please note* If you plan on taking your horse to Indiana State Fair, then your horse will need to be current on the Rabies vaccination.

The Indiana Veterinary Medical Association (IVMA) Equine Committee Preventative Medicine Program recommends the following:

Tetanus Toxoid: 2 Primary injections followed by annual booster

EEE and WEE: 2 Primary injections followed by annual booster

Flu & Rhino: 2 Primary injections followed by boosters every 90 days and at least 14 days before exposure to other horses

Strangles: Every 6 to 12 months based on risk assessment
The IVMA encourages all horse exhibitors to work with their vets to develop specific preventative medicine programs to ensure the health and welfare of their animals.
