

2026 La Porte County Draft Horse Show Sponsorship Form

September 10-11-12, 2026 at the La Porte County Fairgrounds

Celebrating 25 years in 2026!

Draft horse hitch horses and haflinger and hitch pony teams from across the Midwest travel to the La Porte County (Indiana) Fairgrounds to compete in multiple events. Farm team events, youth events, and halter shows for Belgians, Percherons, Clydesdales, and Haflingers are also held.

The grandstands are full of families who share an interest and excitement for the breed – and there is no entry fee or parking fee for viewers. A partnership with the LPCDHA is an excellent value for your marketing dollar. You will receive visibility at one of the largest regional draft horse shows, and have a positive association with a family event.
